

# FWEGA February Newsletter

Hello FWEGA!

February is almost here and we are a busy chapter, starting at our general meeting on February 1.

After our meeting we are hosting the annual Stash Sale. Renting a table is \$20, and Shawn Lafleur will be happy to sign you up if interested. There are plenty of tables for This sale is open to the public. When the sale is over we have a large group of Girl Scouts coming to learn how to cross stitch.

Volunteers are needed. Contact Sue Green if you can help.

Lisa Slay has organized our 2025 Bingo challenge. Cards are \$5 and can be purchased at the meeting or on our website.

"A Needle Arts Love Story" is March 7-9. Our own Mendie Canon and Sherri Smith are featured stitchers. It would be great to get a big group to attend and support these members.

I encourage you to be as active as possible this year. There are many opportunities for you to grow in your craft and hang out with some amazing people.
